Message Title: Start Small

Scripture: Matthew 21:1-11, Luke 19:41-42, John 15:4-5, James 3:16, Proverbs 19:21

Theme: Large crowds never seemed to impress Jesus the same way that they do the modern-day church. He seemed more interested in smaller gatherings. Whether it is unity...or starting a revolution... Jesus followed the model of “start small”.

Reflective Questions:

1. What things do you think can be attributed to the decline of Christianity over the years?
2. How do you think that Jesus felt about “the masses”?
3. In your opinion, what might be some of the reasons why Jesus wept when he approached Jerusalem?
4. Have you ever had something that started out as a pure intention, later turn in to a selfish ambition?
5. How do you feel about setting goals?
6. What things from our series on UNITY have stood out the most to you?
