Message Title: Easter 2022

Scripture: Luke 23:26-27, 32-34, 38-43; Luke 23:44-49; Luke 23:50-56;
Luke 24:1-24; Acts 1:3, 7-11

Theme: Passion Week has got to be the busiest week in the history of mankind. As we wrap it up with the resurrection of Jesus Christ...we should all be asking ourselves what our "NEXT STEPS" should be?

Reflective Questions:

1. Do you think that Passion Week seemed "busy" to the disciples? Why?
2. What is the significance of the criminal on the cross believing that Jesus is the son of God?
3. Can you think of a time when you "stood at a distance" and felt powerless?
4. What is "one small thing" that you can do this upcoming week to have a positive impact in your sphere of influence?
5. Do you feel "unqualified" to lead a movement for Jesus Christ? Why?
6. If "follow me" was Jesus' way of asking us to follow in his footsteps...what are some practical ways that you can start doing that?
