Message Title: One Mission

Scripture: Matthew 28:19, Luke 10:2-12, Matthew 10, Mark 6, Luke 10:16, Luke 10:4, Matthew 25, Luke 9:23

Theme: I think that there is a great correlation between what the military needs to have happen in order to achieve its goal (and be successful)...and what the Church needs to do in order to be successful.

Reflective Questions:

1. If you were creating your church's Mission Statement...what might it say or include?
2. Can you explain the "Person of Peace" strategy?
3. What are some things that could get us off track from completing our mission as a church/organization?
4. Is your church's strategy for making disciples easily reproducible? Why?
5. What are some strategies that you think need to be done away with in regards to making disciples? What are some that should be included in making disciples?
