Message Title: Fearless Faith

Scripture: Joshua 2:1-7, James 2:25-26, Joshua 2:8-11, Joshua 2:12-13, Joshua 2:18-21, Hebrews 11:6

Theme: Fearless faith can sometimes come from unexpected places. Rahab is a great example for us that...you can have fearless faith regardless of your past. You can have fearless faith even if it is from seeing God work in other people's lives.

Reflective Questions:

1. Do you have the kind of faith that is fearless?
2. How much do you trust God when things look/feel scary?
3. Does your faith help lead others to God?
4. Do you truly believe that God will reward your faith?
5. What are your "Next Steps"?
