Message Title: Maintaining Fearless Faith

Scripture: Joshua 4:1-7, Luke 22:19, Joshua 4:8-14, Matthew 23:12, Luke 9:62, Joshua 4:15-18, Joshua 4:19-24, Romans 5:8

Theme: We cannot EVER follow the Lord wholeheartedly into the future that he has created for us if we spend the present trying to live in the past. We must take what we have learned (both good and bad) and move forward.

Reflective Questions:

1. Do you have any “memorials” that help remind you of the past? What are they?
2. How often do you share stories with others about how God has “come up big”? Who do you share those stories with most frequently?
3. What are some ways that you use the past to encourage you in the present?
4. Have you thought much about your future legacy? What about the legacy of your church?
5. What are your “Next Steps”?
