Theme: When God has just accomplished something great in our lives...that is when we are most vulnerable to be led in to sin by Satan.

Reflective Questions:

1. What are some of the reasons that we fall into sin (even though we know we shouldn't sin)?
2. What are some of the ways that sin affects other people?
3. How can we be confident without it leading to pride?
4. Do you have "guardrails" set up in your life to help you avoid the progression of sin? What are they?
5. What are your Next Steps?
