**Theme:** Some of the most important life lessons that God teaches us are because of Blunders (mistakes) that we have made on our own. It has been said that: "A mistake is an opportunity to begin again, more intelligently".

### **Reflective Questions:**

1. Do you have an example of a mistake that you made that turned out badly...but later on, you had a chance to correct that mistake.
2. What advice would you give to someone who thinks that they have made a mistake that cannot be forgiven?
3. Have you ever taken a "shortcut" in regards to following God's instructions? How did that work out?
4. What do you think it means to worship God "in spirit, and in truth"?
5. What does it mean to give your body as a "living sacrifice"?
6. What are your Next Steps?
