Message Title: Staying on Track

Scripture: Joshua 21:45, Joshua 22:5, Joshua 22:11-12, Joshua 22:19, Joshua 23:6-8 & 11, Psalm 103:2, Joshua 24:13-14, Joshua 24:15, Matthew 23:12

Theme: Christians tend to have a very short memory sometimes. Satan loves to trick us into forgetting about how God has been there for us in the past...and instead focus on something that hasn't yet happened (and probably won't even take place). In a world that often lies to us and let's us down...God keeps His promises.

Reflective Questions:

1. What do you think is the biggest obstacle to "staying on track" spiritually?
2. Why do you think that people often make hasty decisions?
3. Do you have a way that you remind yourself of how God has blessed you in the past? What is it?
4. How often do you recommit your relationship with Jesus? How do you do it?
5. What are your Next Steps?
