Message Title: Knowing God

Scripture: John 14:1-14, John 14:5, Isaiah 43:1-3

Theme: It's easy to give the advice "lean on God" or "God has a plan" or "God's got this". However, if you have ever felt totally overwhelmed...then you know that those statements don't always help.

Reflective Questions:

1. What is some of the best advice you have been given during a time when you were feeling anxious or worried?
2. Where do you usually turn to during times of chaos?
3. Would you consider your knowledge of God to be "learned knowledge" or "experienced knowledge"?
4. Do you view Jesus the same way that you view God?
5. What proof do you have that you should "trust in God"?
6. What are your Next Steps?
