Sermon Title: In me, then through me!

Scripture: Mark 1:32-33, Mark 1:35-38, Matthew 13:1-9, Philippians 2:13,
Psalm 139:23-24

Theme: It seems like everywhere you look, people needed Jesus to do something for them. Have you ever felt that way as a boss...as a parent...as a spouse? Like the people around you are constantly needing you to do something.

Questions:

1. Have you ever wanted to do something to help a situation, but did not know what you should do? Explain.
2. What is the most that one person that you don't know, has ever mattered to you?
3. Have you ever prayed and asked God to work THROUGH you?
4. How often do you ask God to search your heart? Is this your first choice?
5. Have you ever wondered why God doesn't use you (or your church) to have a bigger impact in your community?
6. Will you commit to praying the prayer "God, work IN me...so that you can then...work THROUGH me"?
