

## Message Notes

**Date:** 2/12/2023

**Sermon Title:** Anger Issues

**Scripture:** Matthew 5:21-22, John 8:1-11, John 8:11(CSB), John 13:34, Ephesians 4:32, John 3:16, 1 Corinthians 13:5, John 3:17

**Theme:** Normally when we think of anger issues...we think of a deep/dark hatred towards something. Or, on a lesser scale, something like Road Rage. The kind of anger issue that I'm talking about though is more of a self-righteous type of anger.

### **Questions:**

1. Can you think of someone that you look down upon because of their sins?
2. Do you ever transfer your anger/frustrations on a loved one that wasn't even responsible for what is frustrating you?
3. What are your thoughts on "condoning versus condemning"?
4. Have you ever been guilty of exposing someone else's sins as a way to hide your own sins?
5. How good are you at offering yourself forgiveness for the sins you have committed?
6. What are your Next Steps?
