Sermon Title: Jesus' way is Different

Scripture: Matthew 5:3-12, Matthew 5:13-16, Matthew 5:38-39, Matthew 5:39-42, Mark 14:65, Luke 23:34

Theme: In the Sermon on the Mount, Jesus teaches us God's plan for us. I think that the teachings in the Sermon on the Mount are foundational to living a "One at a Time" type of life. The reason is because Jesus raises the bar on how we are supposed to treat others and view others.

Questions:

1. Can you think of some people who you find difficult to love?
2. How well do you do at loving people who have treated you badly?
3. Do you want to feel blessed and do you want to make a difference in this world? What strategy are you currently using to accomplish these goals?
4. What are your feelings on "Exact Retribution"?
5. What are your Next Steps?
