Sermon Title: Peace in Christ

Scripture: Ephesians 2:11-13, Ephesians 2:14-18, Ephesians 2:19-21

Theme: Many of us feel quite comfortable in certain group settings...while at the same time, we feel like an “outsider” in other groups. This is nothing new though. Ever since the beginning of time...this dynamic has been prevalent.

Questions:

1. Are there certain group settings where you feel like an “outsider”?
2. Can you think of a time that you went from feeling like an “outsider” to an “insider”? How did that feel?
3. How are you involved in the (Big C) Church?
4. What attributes make a (little c) church healthy?
5. Do you tend to invite people to church instead of inviting them to Jesus? What is the difference?
6. What are your Next Steps?
