

## Message Notes

**Date:** 8/20/23

**Sermon Title:** Urgency creates Boldness

**Scripture:** John 9:4, John 14:6, Acts 2:38, Luke 15:10, Acts 1:8, John 14:11, Matthew 5:16

**Theme:** Urgency will always create a sense of boldness that isn't normal. Jesus wants us to know that we should have a sense of urgency in taking our Next Steps...and in sharing the Good News.

### **Reflective Questions:**

1. Can you think of an example of a bold move that you made...because of urgency?
2. When thinking about your Next Step in faith...do you feel as though you have plenty of time to take that step?
3. Have you ever thought about your willingness to fight for God...as hard as He fights for you?
4. What is one way that you can let your light shine this week?
5. What are your "next steps" in your spiritual journey?
