Sermon Title: BLESS - Serve

Scripture: Matthew 20:28, John 13:3-5, John 13:6-8, John 13:8-11, John 13:12-17, Acts 1:8

Theme: Serving others is not something that the world views the same way that Jesus did. In our modern world...we are being taught to look out for #1. We are taught to “get ours”. You are viewed as important if you have people who serve you...not the other way around.

Reflective Questions:

1. Have you ever been told to “look out for yourself”?
2. Who do you know that is constantly serving others? Give some examples.
3. Do you get “grossed out” by other people’s feet?
4. Do you tend to celebrate serving others...or do you complain about serving others?
5. What are your “next steps” in your spiritual journey? What will you take away from this message?
