Sermon Title: Refuse to Stay Behind

Scripture: 2 Kings 2:1-11, Isaiah 6:8

Theme: It is important to refuse to be a spectator when it comes to your future. If an opportunity arises that can help propel us in the direction of our dreams...we must act.

Questions:

1. Do you know someone who refuses to be left behind?
2. Would the patterns of your life indicate that you are someone who is most likely to play it safe?
3. Can you think of an opportunity that you have passed on that (in retrospect) may have propelled you closer to your dreams if you had "went for it"?
4. How about a decision that you are glad you made because it really helped propel you forward?
5. How do you view "volunteering" in church?
6. What is your take-away from this message?
