Sermon Title: Proof of Life

Scripture: John 15:5-8(NLT), 2 Kings 7:3-8(NLT), 2 Kings 7:9(NLT)

Theme: It is important to refuse to be a spectator when it comes to your future. If an opportunity arises that can help propel us in the direction of our dreams...we must act.

Questions:

1. Do you have a life insurance policy? What does it guarantee?
2. How would you explain the difference between existing and living?
3. Do you know someone who is just "existing"? What frustrates you about that?
4. Do you think that your non-Christian friends understand why you act the way you do?
5. If the fruit we bear is our "proof of life", what are some of the fruits that you have recently produced?
6. What kind of "fruit" would you like to produce in the next month?
