Sermon Title: Choose

Scripture: 2 Kings 13:14-20, 1 Kings 19:19-20, 2 Kings 13: 18-19, Acts 7:3, Luke 9: 57-62

Theme: There are some things in life that we do not get to choose. However, there are even more things that we do get to choose. God has great plans for us...but we must make a few choices first.

Questions:

1. How do you view adversity?
2. Can you think of a decision in your life where you were running from something instead of towards something? Explain.
3. Can you give an example of something that was an “old normal” ... but you decided to leave it in the past?
4. Like the Israelites, have you ever been granted a fresh start and then wanted your “old normal” back? Why?
5. What might some of your “next steps” be that you know you must choose?
