Sermon Title: Know what you want!

Scripture: Matthew 20:30-34(NIV), Psalms 37:4(NIV), 2 Kings 4:1-7(NLT)

Theme: You cannot get what you want in life if you do not know what you want. And, if you are not sure what you want...you'll usually get what someone else wants. Do not sell God short when he asks you what you want.

Questions:

1. Do you feel like you have been able to control being able to live the life that you are living? Or, has your life "evolved" more so than you being the creator of it?
2. Has anyone ever told you to "pursue what makes you happy"?
3. Why is it so important to know what makes God happy?
4. Why do you think it is important to avoid being "wishy washy" with our requests to God?
5. When was the last time you asked God for something that you could never get on your own? Something that seems nearly impossible (or at least improbable).
6. Who do you normally go to when you need advice?
