Sermon Title: Stand your Ground

Scripture: 2 Samuel 23:11-12(NLT), Ecclesiastes 1:2(NIV), Isaiah 43:18-19(NLT)

Theme: It is important to know what you stand for in life. Once you know what you stand for, you can boldly fight for it. There is something very powerful in being part of something that is bigger than we are.

Questions:

1. Do you have a personal mission statement? What do you stand for?
2. Would you consider "lost souls/people" your "Field of Lentils"?
3. Did you invite someone to watch church (or attend with you) this week?
4. Did you have a spiritual conversation with anyone this week?
5. Could you start a church if you were given that assignment?
6. What was your biggest take-a-way from this message?
