This week's Message Notes

Date: 4/21/2024

Message Title: Sacrifice is Required

Scripture: Matthew 16:21, Philippians 2:8, Romans 5:18-19, Matthew 16:22-23, Hebrews 12:2-3, Isaiah 62:3-4, Matthew 16:24-25, Luke 10:2

Theme: We have an opportunity to take a major step forward. A step that will position God (and His people) to have a greater impact on our community...in our families...for our children/grandchildren...and for the advancement/increase in His Kingdom.

Reflective Questions:

1. What is one "Big Move" that you have made in life that required a sacrifice?
2. Do you tend to look at "value" over "cost"?
3. What would you be willing to do in order for someone you love to feel peace & love?
4. What's the best investment you have ever made? Why?
5. Have you filled out your Commitment Card?
6. What was your biggest "take-a-way" from today's message?
