This week's Message Notes

Date: 5/19/2024

Message Title: Replenish the Soil

Scripture: Matthew 13, Matthew 7:16-20, Matthew 5:13-16, Matthew 6:1-4, Proverbs 11:10

Theme: Our soils have been robbed of their purity and almost completely depleted of their natural benefits. We need to understand that (both agriculturally and spiritually) poor practices lead to poor outcomes...and honest/organic/good practices will produce good fruits.

Reflective Questions:

1. How much focus do you put into what you eat? Why?
2. What are some of the things needed to create a good/healthy Kingdom Ecosystem?
3. Why do you think that cultural awareness is important?
4. Have you figured out "Who's your One?" yet? How is that going? What needs to get better?
5. Why do you think that Jesus didn't want people to make a big deal (publicly) out of "doing good works"?
6. What are some ways that the world has modified things to work with our current soils (metaphorically speaking)?
7. What was your biggest "take-a-way" from today's message?
