

harvest 10:2

This week's Message Notes

Date: 6/2/2024

Message Title: Do Something

Scripture: Matthew 5:45, Galatians 3:13-14, Romans 3:23-24, Revelation 21:4, Romans 8:28, James 1:2-4, 2 Corinthians 4:17-18, John 16:33, James 4:17, Esther 4:14

Theme: In the world that we live in, people are asking all of the wrong questions. Probably because we aren't looking at the questions with a Biblical Worldview. It's time to Reframe the Questions.

Reflective Questions:

1. Can you think of a time that you wondered "Why did God allow that?"
2. In your opinion, what are some of the reasons that "bad things" happen?
3. Can you think of a time when something happened (that you thought was bad) and it ended up strengthening your relationship with God?
4. Have you ever thought that you "deserved" something? What was it and why do you think you deserved it?
5. Is there something that has been "eating away at your heart" lately? What can you do about it?
6. What was your biggest "take-a-way" from today's message?
