

harvest 10:2

This week's Message Notes

Date: 8/11/2024

Message Title: Elijah part 3

Scripture: 1 Kings 18:41-44, Mark 8:23-25, 1 Kings 19:3-4, James 5:17, 1 Kings 19:10, Ecclesiastes 4:9-12, 1 Kings 19:6, 1 Kings 19:11-13, 1 Kings 19:18

Theme: We have tried hard in the last couple of weeks to learn from Elijah and make him seem more relatable. Today, we are going to show you a side of Elijah that makes him seem more "normal".

Reflective Questions:

1. Do you still find Elijah to be un-relatable? Why?
2. How do you feel when your prayers aren't answered (the way that you thought they would be)?
3. What do you think are the keys to losing (or gaining) perspective?
4. Why is it so easy to isolate when things are going bad?
5. How do you prepare (ahead of time) for the "lows" in your life?
6. What was your biggest "take-a-way" from today's message?
