This week's Message Notes

Date: 9/22/2024

Message Title: Relational Circles

Scripture: Matthew 13:34, Matthew 13:10-12, Luke 6:12-13, Luke 8:51

Theme: We all have different spheres of influence...but even if those look a little different...our opportunities within those spheres are very similar. Jesus was very intentional when it came to his Relational Circles.

Reflective Questions:

1. Identify your different spheres of influence.
2. Are your spheres of influence separate or integrated (in boxes or in circles)?
3. Is there balance in your relational circles (in regards to your time spent in each one)?
4. Can you identify (by name) people who are part of each circle?
5. What was your biggest "take-a-way" from today's message?
