

harvest 10:2

This week's Message Notes

Date: 10/13/2024

Message Title: The Replacements

Scripture: 1 John 5:21, Revelation 9:20, Exodus 20:4-5, Philippians 1:21, 1 Corinthians 10:6-7, Matthew 22:37-38

Theme: I think that when we think about idol worshipping...we tend to envision someone laying face-down (bowing) to some carved out image of something. It's more likely that idol worship is a bit more subtle these days.

Reflective Questions:

1. What comes to mind when you hear the phrase "idol worship"?
2. What are your thoughts on "Christians" being guilty of idolatry?
3. What are your thoughts on Todd's statement that "everyone has a god"?
4. Why do you think that the Israelites created the Golden Calf?
5. What was your biggest "take-a-way" from today's message?
