

**This week's Message Notes**

**Date:** 10/20/2024

**Message Title:** Idol #1

**Scripture:** 1 John 5:21, Luke 14:26, Ephesians 5:31, Genesis 2:24,  
1 John 4:19

**Theme:** People are a blessing to us (people like our spouses, our kids, our parents, our siblings). If we are not careful though...these blessings become a god (little g) and they take the place of God.

**Reflective Questions:**

1. Have you ever heard of "The Priority Concept"?
2. What goes through your mind when you think about verses like Luke 14:26?
3. Where would you put "family" on the list of idols that we worship? Why?
4. If you have kids, where do they fall on the priority list? Why?
5. Where does your spouse or loved ones fall on your priority list? Why?
6. What was your biggest "take-a-way" from today's message?
