This week's Message Notes

Date: 11/3/2024

Message Title: American Idols

Scripture: 1 John 5:21, Matthew 6:19-21, Philippians 3:20, 2 Timothy 1:7, John 14:27, 2 Chronicles 7:14

Theme: God can work through good...or bad governments because He is greater than the world. Our King sits on his throne and rules over the only Kingdom that has eternal existence.

Reflective Questions:

1. Do you think that people have turned our country into an idol? Why? How?
2. What makes you "proud to be an American"?
3. How much weight do you put in politics or political leaders?
4. Have you accidentally allowed yourself to care too much about politics or the election? How?
5. What role does the Church play in all of this?
6. What was your biggest "take-a-way" from today's message?
