

**This week's Message Notes**

**Date:** 11/17/2024

**Message Title:** The Worst Idol

**Scripture:** 1 John 5:21, Exodus 20:3-5, Mark 4:16-17, Matthew 7:13-23, Mark 9:38-41

**Theme:** There is one idol that has been the most damaging to God's Kingdom. The idol that I am talking about is the modern-day church. When I say that...it includes denominations, pastors, and the church (in general).

**Reflective Questions:**

1. Why do you think that some people idolize their pastor?
2. Why do you think it is so easy to take something good...and make it an idol in our lives?
3. Why do you think that people put so much value in their church/denomination?
4. Why do you think that churches have membership?
5. Is there anything that you might have inadvertently began to prioritize too much?
6. What was your biggest "take-a-way" from this series about modern-day idolatry?
