This week's Message Notes

Date: 11/24/2024

Message Title: Random Kingdom Thoughts

Scripture: Proverbs 20:12, Matthew 13:9-16, Isaiah 55:8, Matthew 25:34-40, Luke 10:2

Theme: For most of us, our faith was built on knowledge about God but not based on encounters WITH God. Does that sound familiar to any of you?

Reflective Questions:

1. Has your faith been based on knowledge about God...or, experiences WITH God?
2. Can you think of any "real" Kingdom encounters that you have had recently?
3. What is the driving force behind your faith?
4. How open are you to things like questioning what you were taught, allowing God to use you, or doing things that the world says is not safe/normal?
5. What are your thoughts on the quote from Tom Stolz?
6. What was your biggest "take-a-way" from today's message??
