Message Title: Making Plans

Scripture: Proverbs 19:21, Matthew 1:18, Luke 2:6-7, John 10:10,
Proverbs 16:3, Hebrews 11:1, Hebrews 11:6

Theme: It is great to have plans. However, often those plans do not work out as you planned them to. What happens then?

Reflective Questions:

1. What are your plans for Christmas 2024?
2. Do you think that it was easier (or harder) for Mary & Joseph to be flexible than it is for us now-a-days?
3. What is stressing you out most this holiday season?
4. What is your most memorable Christmas?
5. Can you honestly say that you are "not afraid" because you know that God is with you?
6. What was your biggest "take-a-way" from today's message??
