

This week's Message Notes

Date: 12/8/2024

Sermon Title: Do you believe in Miracles?

Scripture: Luke 1:6-7, Luke 1:11-20, Luke 1:23-38, Luke 1:39-45,
Luke 1:48

Theme: Some people say that God doesn't perform miracles any more. I think that there are certain qualities that you can see in the people that God uses to do miraculous things.

Reflective Questions:

1. Have you ever had plans to do something...that somehow just slipped away from you?
2. Do you think that God could use you to do a miracle? Why?
3. What kind of people do you think God uses to do miracles in/through?
4. Do you believe that God keeps his word? Why?
5. What are some of the ways that you show proof that you believe God's word?
6. What was your biggest "take-a-way" from today's message??
