Date: 1/26/2025

Sermon Title: Spirit Led

Scripture: Ephesians 5:16-17, Ephesians 3:14-21

Theme: Not ALL man-made ideas are bad. It's just that Spirit-led ideas seem to have a better Kingdom impact.

Reflective Questions:

1. Why do you think it is easier to act on man-made ideas than it is to act on spirit-filled nudges?
2. What are some of the things that jumped out at you from today's main scripture?
3. What is some of the "heavy lifting" that you do...that you should allow God to do?
4. Do you have "trust issues" with Jesus? Explain.
5. What would it look like in your life to be more Spirit-led?
6. What was your biggest "take-a-way" from today's message?
