

This week's Message Notes

Date: 2/23/2025

Sermon Title: The Gospel part 2

Scripture: Mark 1:14-15, John 3:16, Matthew 6:9-10, Matthew 6:33, Matthew 5-7

Theme: The gospel might even be thought of as a message....but the best way to think of what a gospel is...is that it is an announcement. Think about that for a minute in light of the story of Jesus. Aka, "The gospel of Jesus Christ".

Reflective Questions:

1. Have you come up with your answer to the question "What is the gospel?"?
2. How has your view of the gospel changed in the past two weeks?
3. Do you agree that the world has created a secular and sacred divide? How?
4. How has your view of "The Kingdom" evolved (both recently and over time)?
5. What was your biggest "take-a-way" from today's message?
