

**This week's Message Notes**

**Date:** 2/9/2025

**Sermon Title:** Trust and Proof

**Scripture:** John 2:24, 2 Timothy 3:10-17, 2 Corinthians 6:3-10

**Theme:** The idea of trust is something that can be easily mistaken if taken out of context. For instance, if I say that I don't really trust many people... that may be viewed as a very negative comment and not very "Christ-like".

**Reflective Questions:**

1. Do you have a lot of people that you trust?
2. What makes someone trustworthy?
3. Do you tend to trust others quickly?
4. Why (or why not) do you believe the Bible?
5. What do you allow to feed your soul?
6. What kind of "proof" does your life provide to others?
7. What was your biggest "take-a-way" from today's message?
