

This week's Message Notes

Date: 4/27/2025

Sermon Title: Just like Judas

Scripture: Psalm 139:23-24, Luke 9:1-6, Luke 6:12-16, Luke 6:43-45, Matthew 6:33

Theme: We need to be careful about how we view (and talk about) Judas. That's because we might find that we are more like him...than any of the other disciples.

Reflective Questions:

1. How would you describe Judas?
2. Talk about some of Judas' good qualities...and bad qualities.
3. In what ways are you similar to Judas?
4. Why do you think that Judas betrayed Jesus?
5. How might what we learned about Judas...relate to the modern-day church?
6. What was your biggest "take-a-way" from today's message?
