

harvest 10:2

This week's Message Notes

Date: 5/4/2025

Sermon Title: Kingdom Family Reminders

Scripture: Matthew 12:50, Revelation 7:9, Luke 5:37-39, Acts 16, Matthew 6:1-3, Matthew 6:33

Theme: Being a kingdom ecosystem...as opposed to being a church...is probably one of the hardest (if not THE hardest) paradigm shifts to wrap our heads around/embrace.

Reflective Questions:

1. What are some of the things that are hard for you to embrace...in regards to how we do things at Harvest 10:2?
2. Do you think that the word "family" has become watered down? How?
3. Can you think of some church language that is common to us now...that probably wasn't in the Early Church?
4. What does it mean to run things through the lens of Kingdom Family?
5. What was your biggest "take-a-way" from today's message?
