This week's Message Notes

Date: 5/18/2025

Sermon Title: Warm Up

Scripture: Philippians 3:14, Exodus 20:16, John 14:6, Jeremiah 29:11, Hebrews 10:24-25, Joshua 1:9

Theme: What the world needs is people who have come alive for Jesus Christ. People who are kingdom-minded and spirit-led. People who are on fire to live like Jesus and bring glory to God... by becoming the person that he created you to become.

Reflective Questions:

1. Can you think of something that you wanted to do...or something that you wanted to become...that didn't work out as planned?
2. What are some of the talents/gifts that God has given you?
3. Can you think of a time in your life when you were torn between two really good choices?
4. Who would you consider to be your mentor or accountability partner?
5. Do you have a personal mission statement? If not, what might it include?
6. What was your biggest "take-a-way" from today's message?
