

harvest 10:2

This week's Message Notes

Date: 10/5/2025

Sermon Title: Good News DNA

Scripture: Matthew 22:34-40, Mark 1:14-15, Acts 1:3,
Acts 28:30-31

Theme: The Good News is the engine that drives salvation, transformation, and spiritual revolutions. It's more than just the starting point that saves non-Christians though.

Reflective Questions:

1. What is a fractal?
2. Why is it important to simplify your ideological beliefs?
3. How would you summarize the bible?
4. If you only had 40 days, what would you want to communicate to your friends/loved ones?
5. How would you explain the "Good News"?
6. What was your biggest "take-a-way" from today's message?
