

harvest 10:2

This week's Message Notes

Date: 4/5/2026

Sermon Title: Easter 2026

Scripture: Luke 24, John 16:33

Theme: This Easter, are you "Walking to Emmaus"? Or, "Running to Jerusalem"? Because there is definitely a difference.

Reflective Questions:

1. Is there something that you have forgotten (that was once taught to you) spiritually?
2. What are some of your thoughts on when Jesus appeared to his disciples?
3. What do you think the two disciples were discussing as they "walked to Emmaus"?
4. What do you think the disciples were discussing as they "ran to Jerusalem"?
5. What is your "next step" in faith?
6. What was your biggest "take-a-way" from today's message?
