This week's Message Notes

Date: 5/31/2026

Sermon Title: Facing Opposition

Scripture: John 15:20, 1 Peter 2:19-20, Acts 4:29-30, Acts 5:41-42, 1 Peter 1:6-7, Acts 5:20, Acts 5:28, Acts 5:38-39

Theme: When we think of the Early Church, we often think of the revolution that changed the course of history. We think of the miracles and healings. We think of the baptisms and mass conversions. We think of church-planting and missionary movements. But…the story of the Early Church wasn't only a story of ease and comfort. It was also a story of persecution and opposition.

Reflective Questions:

1. Have you gotten any slivers lately from "carrying the cross of Jesus"? Explain.
2. In what ways are you like Ananias & Sapphira?
3. Have you ever faced opposition because of your faith in Jesus? Explain.
4. What do you pray for (generally speaking) when you face obstacles in life?
5. Do you "rejoice" when God finds you worthy of suffering?
6. What was your biggest "take-a-way" from today's message?
