harvest 10:2

This week's Message Notes

Date: 6/14/2026

Sermon Title: Lessons from Philip

Scripture: Acts 8:4-40

Theme: The lessons that we can learn from Philip in Acts 8 are awesome. The question is…will you respond the same way that he did?

Reflective Questions:

1. Why do you think that the phrase "Good News" is so commonly used in the Book of Acts?
2. Why is it important to include "the Kingdom" when talking about the Good News?
3. Why should we invest (financially) in the Kingdom of God?
4. What is your first response when you feel a nudge from God?
5. Are you currently reading scripture alone? Or, studying scripture with someone else?
6. What was your biggest "take-a-way" from today's message?
