This week's Message Notes

Date: 6/21/2026

Sermon Title: Changing a Legacy

Scripture: Acts 9:1-5, Matthew 12:30, Revelation 3:15-16, Revelation 3:19, Acts 9:6-18, Acts 9:18, Matthew 28:19-20

Theme: Your legacy is how you will be remembered. However, the Apostle Paul shows us that it is also something that you set in motion. On Father's Day 2026, have you thought about whether or not your legacy needs some changes?

Reflective Questions:

1. What are your thoughts on Legacy?
2. Does someone that you know come to mind when you hear the term "far from God"?
3. What are you currently doing to "set your legacy in motion"?
4. What do you think that the legacy of the Apostle Paul was?
5. Which category do you fall into: 1) All-in 2) All-out? Explain.
6. What was your biggest "take-a-way" from today's message?
