Sermon Title: Hopeful Imagination

Scripture: Acts 9:36-43, Mark 5:31-43, Hebrews 11:1, 1 Corinthians 13:12, John 1:39, Galatians 6:2

Theme: If you want to see transformation in your life…then there are three main things that are needed: **experience, imagination, & hope**. I can't over-emphasize the significance of how important your **imagination** is in regards to seeing the transformation you desire in your life.

Reflective Questions:

1. How do you view the role of your imagination in creating the life you desire?
2. How are hope and faith similar to each other? How are they different?
3. Have you ever experienced a short-term mission trip? What were your take-a-ways?
4. What role does imagination play in fulfilling the Great Commission?
5. Have you ever experienced true spiritual collaboration? Explain.
6. How would you describe a "Kingdom Ecosystem"?
7. What was your biggest "take-a-way" from today's message?
