This week's Message Notes

Date: 7/26/2026

Sermon Title: Reflect and Imagine

Scripture: John 14:6-7, John 14:8, John 14:9-11, John 17:3

Theme: Reflection is a vital (and often overlooked) part of our experiences. Experience teaches us nothing if we don't reflect on it…and learn from it.

Reflective Questions:

1. Do you journal? Have you ever gone back and reflected on what you wrote?
2. What inspires you more: reflecting backwards or imagining forward? Why?
3. Write down some examples of how God has blessed you over the years…and reflect on how those examples might be able to fuel your imagination for the future.
4. How BIG is your imagination? Do you think that this is based on your view of God?
5. How does your imagination need re-trained?
6. What was your biggest "take-a-way" from today's message?
