harvest 10:2

This week's Message Notes

Date: 8/2/2026

Sermon Title: Believe the Promise

Scripture: Genesis 12-25, Genesis 17:3-6, Genesis 12:1-2, John 15:4-8

Theme: God gives us both commands and promises. The key is to determine the difference so that you can become the blessing that He created you to be.

Reflective Questions:

1. Why is it so important to know the difference between a promise and a command?
2. Who do you bless more: yourself (and family) or others?
3. Can you think of an example of a time when you focused more on doing "God's part" instead of doing "your part"? How did that work out for you?
4. What is the difference between faith…and faithfulness?
5. If God has put a dream on your heart…create your list of commands versus promises.
6. What was your biggest "take-a-way" from today's message?
