harvest 10:2

This week's Message Notes

Date: 8/23/2026

Sermon Title: Missionary Mindset

Scripture: Acts 13-14, Acts 14:4, Acts 14:22, Acts 13:51, Matthew 10:14, Mark 6:11

Theme: Hobby Churches are popping up all throughout our country. It actually makes sense if we have a Missionary Mindset.

Reflective Questions:

1. What jumped out at you after reading Acts 13-14?
2. What is your approach to facing spiritual opposition to your faith?
3. How/where do you find encouragement when you are facing spiritual opposition?
4. What are your thoughts on the approach of "shaking the dust from your feet…and walking away"?
5. What are some ways that you can spread the gospel in your sub-culture? How might you be able to start a "Hobby Church"? Who might you include?
6. What was your biggest "take-a-way" from today's message?
