harvest 10:2

This week's Message Notes

Date: 8/30/2026

Sermon Title: Offering Some Clarity

Scripture: Acts 15:1-5, 1 Corinthians 13:8-12, Acts 15:8, Acts 15:10, Acts 15:19, 1 Corinthians 14:33, Matthew 11:28-30

Theme: Acts 15 should offer some clarity on certain things that religious people argue about. God is not a god of confusion. Following Jesus should be easier than we tend to make it.

Reflective Questions:

1. What are some of the things that you have found confusing about different religious doctrines?
2. Have you ever experienced someone from another church telling you that your church was doing it wrong?
3. When was the last time that you asked God to "search your heart"? And reveal to you anything that you need revealed about your doctrinal beliefs.
4. How can you make things less confusing for the people in your sphere of influence?
5. What was your biggest "take-a-way" from today's message?
