harvest 10:2

This week's Message Notes

Date: 9/20/2026

Sermon Title: Mars Hill

Scripture: Acts 17:16-34

Theme: We can learn a lot from Paul's message on Mars Hill. Including the fact that the three responses to the gospel message haven't really changed in 2000 years.

Reflective Questions:

1. What is something from the bible that you believe is true…but might seem weird to your non-christian friends?
2. Why do you think that people are still so enamored with "new teachings"?
3. What is your biggest take-a-way from how Paul addressed the crowd?
4. What are your thoughts on…how far away God really is?
5. What are your thoughts on the three responses to the gospel?
6. What was your biggest "take-a-way" from today's message?
